

DRAFT CONTEXT ON ENGAGEMENT OF SUBJECT MATTER EXPERTS (SMEs) ACROSS VARIOUS SECTOR AT ICES

A. Scope of the SUBJECT MATTER EXPERTS (SMEs):

- Provide expert guidance on job role relevance, skill requirements and competency standards.
- Helping, reviewing and validating draft Qualification Packs (QPs) Model Curriculum (MC) and related documents.
- Suggest new job roles and skill sets based on current and projected industry needs.
- Recommend pathways for RPL (Recognition of Prior Learning), upskilling and apprenticeship linkages.
- Facilitate industry feedback, benchmarking with international standards and adoption of best practices.
- Support capacity-building initiatives like Training of Trainers (ToT) and Training of Assessors (ToA) Program through Physical or Virtual Training Mode as per NSQF aligned Qualifications.
